Notification to Family Member or Emergency Contact

In any emergency circumstance including if a resident relapses and leaves the program, is dismissed from the program, is hospitalized or dies, Property Managers or Program Directors must immediately notify the Residents Emergency Contact. The resident may revoke consent to provide notice to the emergency contact. The Property Manager or Program Director shall make at least one attempt to notify the resident's emergency contact as listed on the Residents intake form immediately, and in no event more than 12 hours after the resident decides to end residency or does not return to the drug and alcohol recovery house as expected. This subsection shall not apply if the licensee knows or has reason to know of allegations of domestic abuse on the resident by the emergency contact.
